Parklet Grant

5.1

Whether you are an existing parklet operator coming into compliance or a future parklet operator submitting your first application, the cost can range from \$10,000–\$90,000. A Parklet Grant Program was created to help businesses recover expenses for existing parklet conversions and new parklet construction.

The Parklet Grant Program will reimburse parklet applicants for traffic safety, beautification landscaping, and/or construction/architecture document related expenses. Grant reimbursements will be capped at \$5,000 per parklet operator and will be issued on a first come first serve basis once parklet construction is completed.

Eligibility

- Businesses operating an existing parklet or building a new parklet, in the public right-of-way.
- Businesses operating an existing parklet or building a new parklet on Private Property.

Funding Amount

- In January 2022, City Council allocated \$50,000 to support parklet development.
- Grants awarded at a maximum of \$5,000 per eligible parklet.

Use of Funds

- Grant dollars are approved to reimburse traffic safety components, beautification landscaping, and/or construction/architecture document fees.

Grant Timeline

- Applications accepted beginning July 1, 2022.
